Professional Summary

Results-driven professional currently serving as a Credit & Collections Manager at AT&T with a bachelor's degree in computer science and 5+ years of progressive experience. Experienced in credit assessment, collections management, documentation accuracy, policy adherence, discrepancy resolution, and cross-functional coordination in high-volume environments. Combines technical knowledge with strong organizational and communication skills to support operational efficiency, data integrity, and compliance standards. Bilingual in Arabic and English.

Work Experience

AT&T – Orlando, FL

Credit & Collections Manager

04/2026 – Present

- Manage credit assessments and collections across consumer and business accounts, reducing delinquency rates through proactive portfolio analysis.
- Lead a team of specialists to resolve complex billing disputes and negotiate payment arrangements.
- Analyze account portfolios to identify at-risk accounts and implement retention strategies aligned with company policies.
- Collaborate with cross-functional teams to streamline credit approval workflows and improve recovery metrics.
- Maintain compliance with internal credit policies and regulatory standards while exercising independent judgment on complex cases.

Connectivity Expert

03/2024 – 04/2026

- Served as a key point of contact for customer account review, service documentation, and issue resolution.
- Accurately documented account interactions, service updates, and policy-related communications in internal systems.
- Interpreted and applied company policies while ensuring compliance with service standards and operational procedures.
- Troubleshoot service and account discrepancies, identifying root causes and implementing corrective actions.
- Maintained data integrity across CRM systems to support reporting accuracy and performance metrics.
- Exercised independent judgment when addressing complex service and account-related scenarios.

Alliance wireless (Metro by T-Mobile) – Milwaukee, WI

Sales Representative & Shift Leader

06/2021 – 02/2024

- Supervised daily store operations and ensured adherence to company policies and compliance standards.
- Maintained accurate employee scheduling records and operational documentation.
- Conducted system audits to ensure accuracy of transactions, inventory records, and reporting data.

- Addressed escalated employee and customer concerns by analyzing policy guidelines and recommending appropriate actions.
- Trained staff on operational procedures, documentation standards, and compliance requirements.
- Collaborated with management to resolve disputes and ensure procedural alignment with company policies.
- Supported performance monitoring and coaching discussions to maintain accountability and productivity.
